- Adjustments and Conclusion

# The project

# The project

# Why this project ?

(This is supposed to be a gif, but doesn't work in PDF)

# Our first submission

# How handling pypownet felt like...

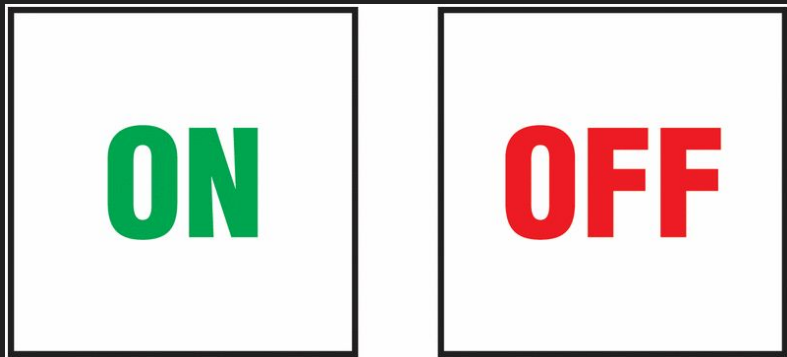

# Our second submission

# Our second submission

Reduced our actions to 54...

Grid	Development phase	Mar 21 2019		-296.1800	1083.0817	👍👎 1
------	-------------------	-------------	--	-----------	-----------	------

And it still takes around 20 minutes !

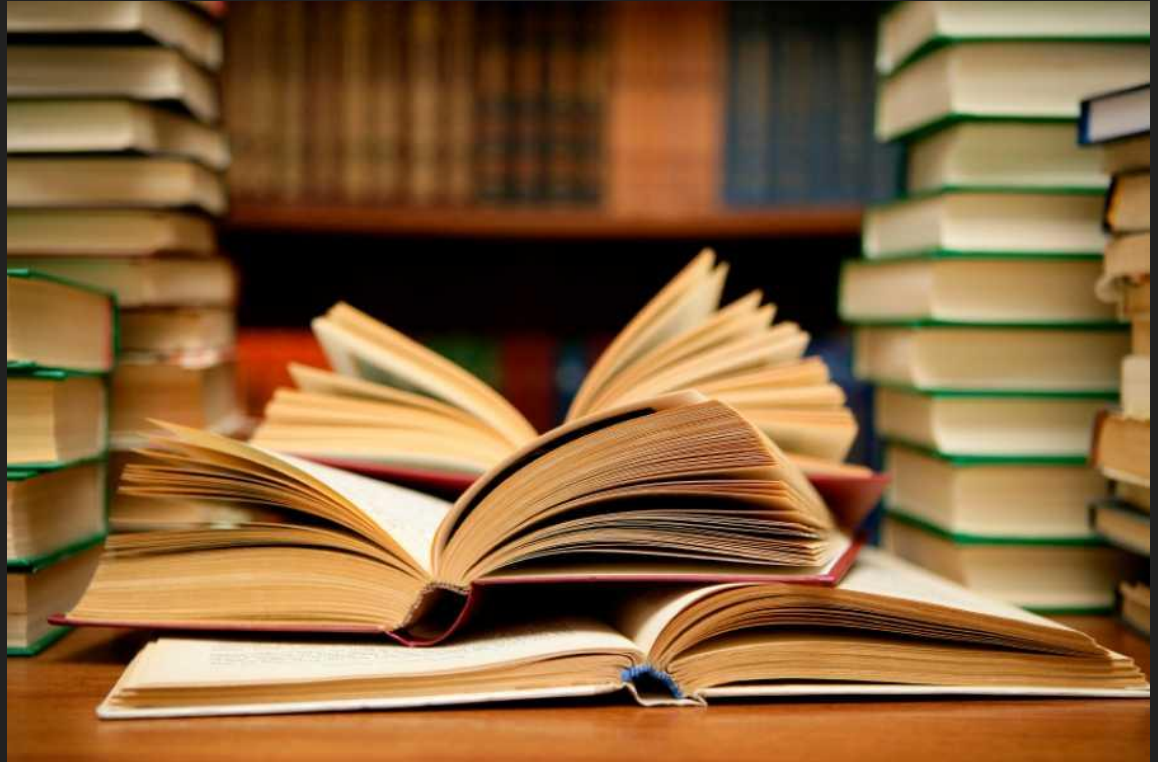

# Adjustments and conclusion

The project can only be  
approached through imitation

# Adjustments and conclusion

We now feel confident  
enough to use pypowernet

Thanks for listening !
